

## Pet SSR Formats

If the passenger intends to carry pet with himself and the airline agrees to accept the animal, apply the following for AVIH as well as PETC.

Additionally read "PETC (Pets in Passenger Cabin)" – only cat or dog and "AVIH (Pets in Cargo Compartment)" – Animal in hold

AVIH- If you want to request an SSR for holding a dog in the cargo department with 9 Kg weights (dog and container weight), dimensions of 70x45x50 (length, width and height) and pedigree of Cross Terrier; use the below AVIH SSR formats.

**SR AVIH-TTL9KG70X45X50CM 1DOG CROSS TERRIER/P1**

PETC- If you want to request an SSR for carrying a cat in the passenger cabin with 5 Kg weights (cat and container weight), dimensions of 20x30x40 (length, width and height) and pedigree of Persian; use the below PETC SSR formats.

**SR PETC- TTL5KG20X30X40CM 1CAT PERSIAN/P1**
